

**BIS Survey A Square
 VC42 December 2019
 SN8626
 Pant Glas near Trecastle**

SN8626 is south west of Trecastle. Access to this SaSq is by minor road, track & short sections of public rights of way. Parking is available on the side of the road where it widens - as marked on the map. This is opposite a gateway.

It's a short walk into the SaSq.

This square has no recent records and only 5 records of 5 non-sensitive species overall, the last being in 2004.

The adjacent square to the east SN8726 is also a SaSq & is best accessed from our selected square - records here a most welcome too

To see these records use the 'What's in my Area' tools in Aderyn > Public.
