

**BIS Survey A Square**  
**VC42 October 2019**  
**SN9650**  
**Llwynon, near Garth**

SN9650 is east of Garth. Access is by footpath. Parking is available in the A483 layby by the church, which offers another recording opportunity.

This square has no recent records and only 52 records of 23 non-sensitive species in total, the last being in 2008. The square to the north, SN9651 is also a SaSq (only 27 records, 12 species) and is best accessed from SN9650.

To see these records use the 'What's in my Area' tools in Aderyn > Public.
