**VC42 August 2019**  
**SO0535**  
**Twyn-y-gaer**

This square is near Lower Chapel, but access is easier from Felinfach or Llanddew. A minor road and public right of way allow access into this mostly agricultural square, with hedgerows and woodland copse for more interest.

We have only 4 non-sensitive species records for this square, the most recent being in 2007. To see the list of records, use the What's in my Area tool in Aderyn.
